

Alan Gabriel:
From SOHO to Solar Orbiter -
25 Years of Studying the Solar Wind

Don Hassler
Southwest Research Institute

It's late, everyone is thirsty...

...and everything I was going to say has
already been said...

Thanks, Klaus, Luca, Lucia...!

So I decided to take a different
approach....

Catherine Cougrand asked me for some
photos of Alan,
so I did a “Google Image Search” on
“Alan Gabriel”...

...and I found the following...

A few photos that I expected...

Alan with Alan Burgess in Cambridge

Alan with Françoise &
Vincenzo Andretta in
Naples (2000)

...and a few that I didn't!

...apparently, Alan has an alter ego...

Alan Gabriel

Name:	Alan Gabriel
Age:	Unknown
Gender:	Male
Height:	Unknown
Hair:	Blonde
Eyes:	Unknown (covered)
First Appeared:	Ep. 14
Occupation:	Unknown
Bio:	Half machine, half man, the android agent of Paradigm

Alan Gabriel of the Comic strip world is...

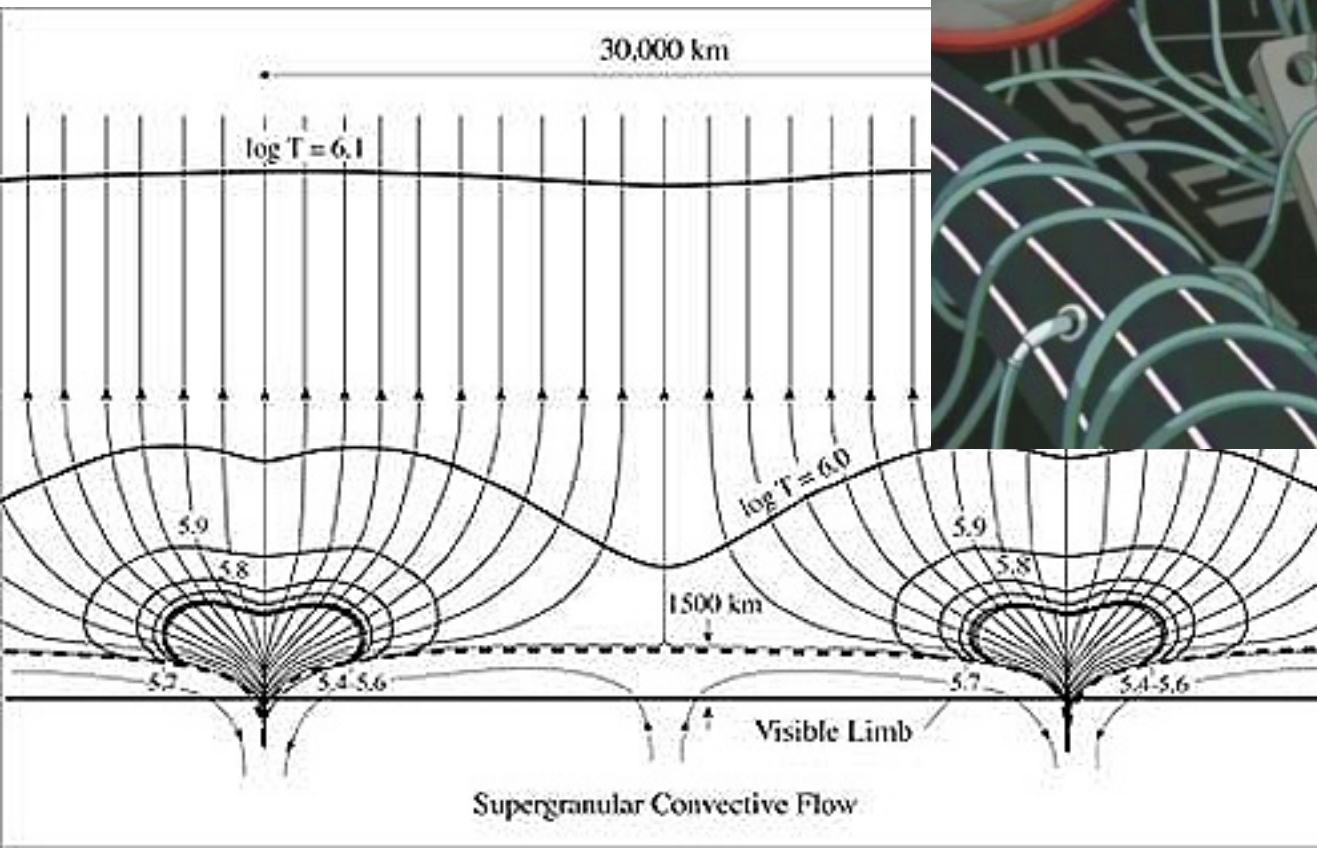

- Half machine, half man, android secret agent
- Sadistic & cunning
- robotic fiend that loves bringing pain and chaos wherever he can

...quite the OPPOSITE of the Alan Gabriel that we all know and love...

Although perhaps a few resemblances...

Alan Gabriel's Coronal magnetic field structure

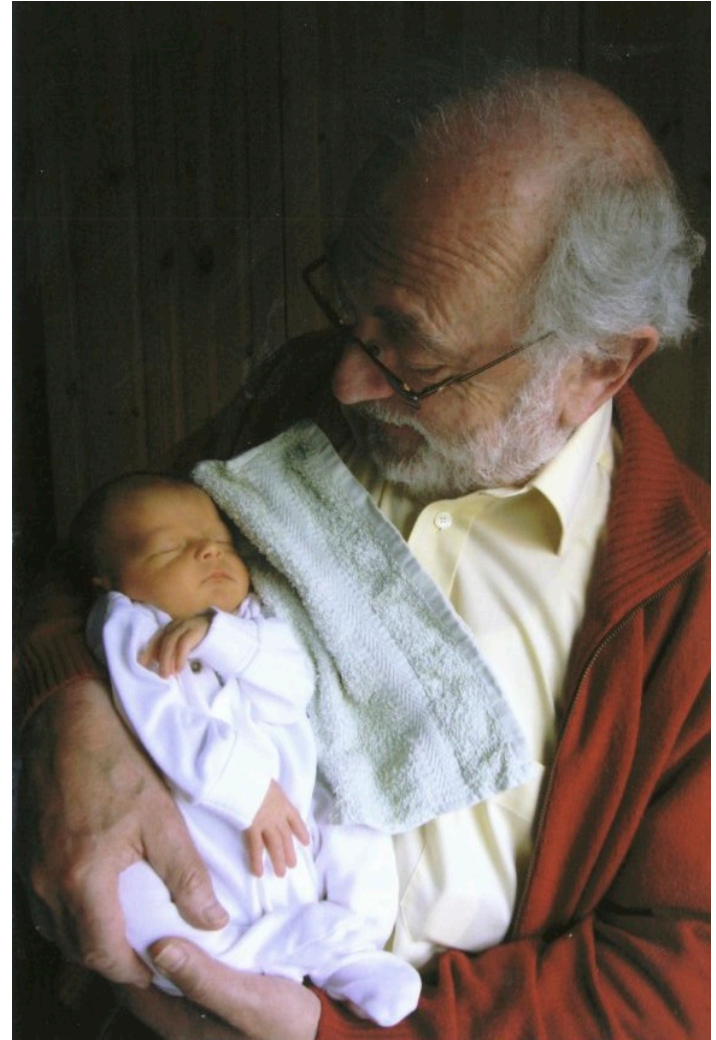

Alan Gabriel's cyborg electronic structure

This is the Alan that we all know and love...

Confident at the helm...
of Philippe Salvetat's sail boat

Caring and kind....with his
grandson, Matthew (~7 years ago)

Thank you, Alan!
